1. PARTIES

This Non-Disclosure Agreement (the "Agreement") is entered into on January 21, 2026, by and between **Todd Jeffrey Ites Jr.** ("Disclosing Party") and **Sergio Matias "Sparky"** ("Receiving Party").

2. CONFIDENTIAL INFORMATION

Confidential Information includes all technical workflows, Technical Requirements Documents (TRD), Solidity source code, smart contract architecture, Zero-Knowledge Proof (ZKP) logic, and AI "Nanny" specifications related to **Project AGate**.

3. NON-DISCLOSURE AND USE

The Receiving Party shall maintain the Confidential Information in strict

confidence. The Information shall be used **exclusively** for the internal evaluation and development of Project AGate and shall not be shared with any third party or corporate entity without express written consent from the Disclosing Party.

4. PROHIBITION OF REVERSE ENGINEERING & FORKING

The Receiving Party is strictly prohibited from reverse engineering, decompiling, or "forking" any part of the Project AGate workflow or code for independent use, or for the benefit of any third party.

5. DIGITAL DESTRUCTION & CERTIFICATION

Upon the request of the Disclosing Party, the Receiving Party must permanently delete all digital copies of the workflow and documents from all devices, cloud storage, and backups. The Receiving Party must provide a signed **Certification of**

Destruction within five (5) business days of such request.

6. OWNERSHIP

All rights, title, and interest in Project AGate, including all intellectual property and derivative works, remain the sole and exclusive property of **Todd Jeffrey Ites Jr.**
